HEALTH PRECAUTIONS

The Silvana Community Fair takes precautions to help prevent the possible spread of disease. **Animal exhibitors are allowed to show in only ONE LIVESTOCK DIVISION (Divisions # 1-11).** We also ask that exhibitors be vigilant with their biosecurity measures. We suggest that you haul different species of animals separately, disinfecting trailers between loads if hauling another species. If spectators want to pet your animal, politely direct them to the petting zoo. If you have questions, please contact your superintendent or a fair board member.
